About Us

True North Management is a Women-Owned Construction Management firm headquartered in Newington, New Hampshire. The ownership team brings over 100 years of combined experience across all facets of construction and construction management. Our company model provides the financial strength, bonding capacity, and workforce depth necessary to deliver reliable, efficient, and client-focused solutions on even the most complex projects. This integrated approach enables us to consistently deliver results and build long-term relationships within the communities we serve.

Commitment to Safety

Safety is the cornerstone of every project we undertake. We conduct weekly safety audits and ensure all field personnel hold OSHA 10 certifications — with all foremen OSHA 30 certified.
